## Why Rent when you can OWN?

For less than current market rental rates, you can own your own building. Current rental rates are a minimum of \$2.00 per Sf per month for new space in South College Station, with limited availability. That equates to \$4,500 per month for a 2,250 SF space. At Tower Center Business Condos, you can buy a 2,250 SF state of the art business condo finished out for approximately \$530,000

Shell \$395,000

Finish out \$135,000 (varies with individual needs) Total Price \$530,000

Sample Financing:

20% down payment (Lower down payment available through some lenders)

5.0 % interest (example only)

20 year amortization

At these terms your monthly note payment would only be \$2,798.

Condo association fees are \$150 per month which covers hazard insurance and common area maintenance.

Each owner is responsible for payment of property taxes which will be based upon the value assessed by the appraisal district which have averaged \$875 per month for the completed condos in the first Tower Center Business Condo Development

Total monthly expense = \$3,823, total savings of over \$675 per month not including the equity you will build!

- Nice, new business space is hard to find in South College Station and this opportunity allows you to have a brand new space built specifically to your business needs and your personal taste.
- Designing your new space is easy! We have several sample floorplans of the existing business condos that you can modify as needed to make the space meet your exact specifications. We even have a floorplan that allows two business to utilize the unit while sharing a common conference room, kitchenette, and restrooms.
- This is a great time to purchase your own space, rates are low and lenders are anxious to make loans for owner occupied properties.
- The condo association handles lawn care and insurance, all at a low monthly price. These buildings are brand new and built to be low maintenance so ownership has never been easier!
- In addition to the rental savings, there are potential tax advantages to owning your own building with the opportunity to deduct mortgage interest, property taxes, and other costs. Consult with your CPA to realize the full reward of ownership.
- Too much square footage? Lease out extra space and have room for expansion.
